

# The Exchange at the Indianapolis Urban League

 **Join us on Saturday, February 28, 2015**

## **Indianapolis Urban League's 'The Exchange'**

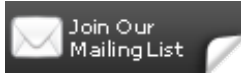

We had an awesome time rolling out 'The Exchange' concept during our first informational meeting in late 2014. The Executive Team is excited and eager to pick up where we left off and move the Indianapolis Urban League young professionals to another level in leadership and service.

Please join us on **Saturday, February 28, 2015 from 10am-11:30am at the Indianapolis Urban League Community Room located at 777 Indiana Ave, Indianapolis, IN.** During this meeting we will discuss in-depth the ways The Exchange will position itself as an organization that will focus on promotion, advocacy and development. You don't want to miss this opportunity to continue the conversation.

In order to prepare materials we ask that you rsvp at:
