Benefits for Sponsor

The Indianapolis Urban League is a meaningful and impactful cause! It plays a crucial role in empowering Marion County and Central Indiana by providing resources and opportunities for individuals and families to thrive.

Supporting the Indianapolis Urban League is a powerful way to invest in the success and well-being of historically excluded communities. Here are several key reasons why you should support the Indianapolis Urban League:

Strengthening Workforce and Economic Growth

Through job training, career readiness programs, and small business support, the Indianapolis Urban League helps people gain meaningful employment, earn a livable wage, and contribute to the local economy.

Improving Health and Wellness

By providing access to health screenings, mental health resources, healthy food, and wellness initiatives, the Indianapolis Urban League helps communities improve their quality of life.

Expanding Access to Education

The Indianapolis Urban League college readiness program, Project Ready, hosts high school students at four local high schools preparing them for college, life and work. The program offers mentoring, post-secondary scholarships, and summer tutoring for youth. As part of our education advocacy, we host education convenings addressing topics impacting barriers to quality education.

The IUL serves as a trusted community hub where individuals and families can find guidance, resources, and a sense of belonging.
